To kick-off the lead-up to the much anticipated RIU Explorers Conference, Vertical Events together with Resources Roadhouse are holding an RIU Explorers Afternoon at the Northbridge Brewing Co establishment on Wednesday 10 February from 1.30pm.

We have assembled a selection of quality ASX listed Resources Companies from the extensive RIU Explorers Conference programme waitlist, each presenting for 15 minutes to a room full of brokers & investors.

If you were lucky enough to be at this event last year at the Rigby's Bar & Bistro, you would have heard from companies including De Grey Mining, who at that time were just 17 cents! Could the next big mover be part of this group of Companies?

We hope you can join us for an afternoon of Company presentations while enjoying a fully catered afternoon with food and drinks.
